Sells Open  
 Fladeland Berry 122B is the first and only Fire and Ice daughter we will be offering for sale this year, she is very powerful, has lots of hair, with only a 89% birth weight. Her grand dam FLAD 101T is one of our donor cows who produced our herd sire Fladeland Creepin and also Twisted T's herd bull Fladeland Pitbull who is a full sib to FLAD 35X which is the dam of 122B. The genetic combination of Silent Stan, Precision and Fire and Ice will definitely make her a favorite.

Sells Open  
 This is a great and limited opportunity to select a direct Goodview The Rock daughter. Fladeland Black Out 138B has a great disposition, she is super stout and has excellent hair and not to forget she is a paternal sister to Fladeland Rock em Sock em 202A who was the 2013 Canadian Bull Futurity Champion. Check her out in our show string this fall.

FLAD Fladeland Bottoms Up 23B

Bottoms up is stacked up maternal power, her dam is one of the ever popular Precision daughters that are becoming more and more popular in raising top end herd bulls and very functional brood cows. FLAD 45S is moderate, a consistent producer and has perfect structure, she has produced herd bulls for Selin Gelbvieh, Deep Sands Gelbvieh, and Garnet and Lynda Schweitzer. A maternal sister FLF 89M is still walking the pastures and will calve again in 2015, another maternal sister FLF 60R, is one of our top donor cows and produced Fladeland Dracula, a bull that resides at Royal Western Gelbvieh and Nelson Gelbvieh. We were so impressed with our Collateral calves that we went and purchased V&V Farms high selling Collateral son this past spring. FLAD BOTTOMS UP 23B is one you really have to appreciate with her sweet head shape, lots of dark red hair, overall thickness with style to burn. Check out more Precision progeny in our show stings and sales this fall to see first hand the quality, production, and potential of FLAD 23B. She was recently named Reserve Champion Gelbvieh Female at the 2014 Manitoba Livestock Expo.

***We hope to see you  
at the Sale!***
